

Oakland County Medical Society Presents

**Human Trafficking Awareness &  
Identification in a Healthcare Setting**

A plenary session of the MSMS 2018 Annual Scientific Meeting

**Thursday, October 25th • 4:15 p.m. • Sheraton Detroit Novi**

**OBJECTIVES:**

1. To facilitate the new Michigan 2014 PA 341 & 343 Law that mandates Human Trafficking training for medical and dental professionals and the provision of Medical Assistance of human trafficking victims.
2. Describe the types and venues of human trafficking in the United States.
3. Identifying victims of human trafficking in health care settings.
4. Explain the warning signs of human trafficking in health care settings for adults and minors.
5. Discuss the new CPT coding enabling medical professionals to document sex and labor exploitation.

**SPEAKER:** Stephanie Krieger, Analyst/Engagement Specialist, s7 Consulting, LLC.
