

The Oakland County Medical Society is now offering a complimentary one-hour consultation with The Rybar Group. The Rybar Group offers a full scope of services to support medical practices related to revenue optimization, documentation, coding and compliance, revenue cycle management, audit support, and more. The Rybar Group will also provide a 10% discount on all new engagements to those practices that are referred by OCMS. Additionally, The Rybar Group offers a free 10-chart audit to help kick-start compliant, revenue-optimization efforts.

Services include comprehensive programs to address key areas such as:

- Practice assessments
- Low-paid claims analysis
- Compliance plan development
- Support during third-party audits
- Due diligence as part of a practice purchase or sale
- Provider payment assessments
- Coding quality audits
- Education, training and speaking engagements

Contact Cindy Dady for more information about the Rybar Group's partnership with OCMS or to access the members-only discount.
